Dear Mrs. Gordon,

Thank you so much for remembering my birthday. I really enjoyed marking the occasion at the office. After all, I spend more time with you all than I do with my own family!

The red silk scarf which you gave me is beautiful. It is also a proof that you are exceptionally good at what you do. You know everything about this office and the people in it. Of course you knew that I would adore something like this.

Thank you very much for the thoughtful gift, ma'am.

Best regards.

Barbara.
